**REQUEST FOR RECONSIDERATION OF THE PATENT TERM ADJUSTMENT
UNDER 37 C.F.R. § 1.705(d)**

Mail Stop Patent Ext
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

U.S. Patent Application No. 09/876,451 issued on July 27, 2004 as U.S. Patent
6,767,427 with a published term adjustment under 35 U.S.C. § 154(b) of 459 days. For

the reasons stated herein, reconsideration of this patent term adjustment is respectfully requested.

REMARKS

U.S. Patent 6,767,427 issued with a published term adjustment under 35 U.S.C. § 154(b) of 459 days. The patent term adjustment for U.S. Patent 6,767,427 is calculated as shown below. U.S. Patent 6,767,427 is not subject to a terminal disclaimer.

Period of adjustment under 37 C.F.R. § 1.703(a)

Applicants agree with the PTO calculation of the period of adjustment under 37 C.F.R. § 1.703(a)(1) of 463 days.

Period of adjustment under 37 C.F.R. § 1.703(b)

The period of adjustment under 37 C.F.R. § 1.703(b) is the number of days in the period beginning on the day ("the 3 year date") after the date that is three years after the date on which the application was filed under 35 U.S.C. § 111(a).

The present application was filed on June 7, 2001. The 3 year date specified in 37 C.F.R. § 1.703(b) is June 7, 2004. The patent issued on July 27, 2004. The difference between the 3 year date and the issue date is 50 days.

Reduction in period of adjustment under 37 C.F.R. § 1.704(b)

With respect to the grounds for adjustment set forth in 37 C.F.R. § 1.703(a)-(e), an applicant is deemed to have failed to engage in reasonable efforts to conclude processing or examination of an application for the cumulative total of any periods or time in excess of three months that are taken to reply to any notice or action by the Office. Any such three month period is measured from the date the notice or action was mailed to the applicant. The period of adjustment set forth in 37 C.F.R. § 1.703 shall be reduced by the number of days beginning on the day ("the 3 month date") after the date that is three months after the date of mailing of the Office communication.

In U.S. Patent 6,767,427, the reduction in period of adjustment under 37 C.F.R. § 1.704(b) is 4 days.

Total patent term adjustment

For the present application, the total patent term adjustment under 37 C.F.R. § 1.703(f) is the period of adjustment under 37 C.F.R. § 1.703 reduced by the reduction under 37 C.F.R. § 1.704. The total adjustment is thus 463 days - 4 days + 50 days for PTO delays in issuing the patent over the 3 year date = 509 days.

Applicant respectfully requests reconsideration of the patent term adjustment for this patent. Office personnel are invited to contact the undersigned for the Applicants via telephone if such communication would expedite this request.

Respectfully submitted,

Anthony P. Curtis, Ph.D.
